Activities

Assistant Basketball Coach (9-10 year old)

Volunteer Activity

February 2023- May 2023 & February 2024- May 2024

- With this volunteer activity, I would be the head coach's, right-hand man. We had practice three days a week, every week, and a game every Saturday. 100+ Volunteer hours per season.

National Technical Honors Society

A technical college ran scholarship club

May 2022- May 2024

- This club required a certain amount of computer science and math classes to apply. Once accepted this club allows members to enter private scholarship opportunities.

Beta Club

Volunteer Club

October 2021- May 2024

- This club required 10 volunteer hours a year to remain in the club and helped find volunteer opportunities in the community and school.

National Honors Society

Volunteer Club

November 2022- May 2024

-
- This club required 15 volunteer hours a semester to remain in the club and helped find volunteer opportunities in the community and school

Mentor Tutor

Volunteer Activity

August 2023- December 2023

- This is a school-run elective that allows select students to leave high school at a predetermined block and help volunteer at local middle or elementary schools. I helped a 7th-grade world history teacher at the middle school. Activities included helping the teacher answer student questions, grade work, and help prepare lessons.

Awards

Columbia College Junior Scholar Award

- This is a school-recognized award given to students by Columbia College, based on exceptional grades.

TestOut PC Pro Certification

- PC Pro Certification earned by completing both Computer Service and Repair and Advance Computer Service and Repair, which will finally require passing a certification exam.

Be a Light Award

- Given out through a technical college, WTC, to one predetermined student pooled from all the teacher's classes based on the highest grade point average in that class for that semester.

Certificate of Appreciation from Kershaw Parks and Recreation

- Award is given through the teams' head coach to the selected volunteer/s from the Kershaw Parks and Recreation.
